

ADOPTED BY ASSEMBLY ON JANUARY 10, 2004

That the following shared values will guide our work together, recognizing that all the values suggested in the discussion group reports are important to some members and that this set of shared values will be adopted today and may, at any time, be reviewed and changed.

- Respecting people and their opinions
- Open-mindedness; challenging ideas not people
- Listening to understand
- Commitment to the process
- Focus on mandate; preparedness
- Simple, clear, concise communication
- Inclusivity: all members are equal
- Positive attitude
- Integrity
