Citizens' Assembly on Electoral Reform.

2288-555 W. Hastings St.

Vancouver B.C. V6B 4V6.

Dear Member,

When I vote, I want my vote to count.
With the present system, in B.C. for instance,
the Liberal government got in with 47% of the
popular vote but received 95% of the seats.
This makes me feel disfranchised. It means
that 53% of the voters did NOT vote for the
Liberals. Surely there's a better system out there.

Sincerely
(Mrs) J. E. Busby.
