When I go TO VOTE I would like TO BE
ABLE TO have TWO VOTES. one for The
Prime minister and one vote for my local guy
This way I can get the BEST man for the JOB
as the (L) (NDP) or (PC) are just letters
and its the man NOT the letter that DUR THE
JOB.

All so I would like the Prime minister
TO BE prime minister for a max of two
terms as he ^{is} all the time gets pig headed
the 3rd time around. This would save Canada a Billion
TO 5 Billion every time. Please DO this it is good!
I all so think The Prime minister must have
sole canadian citizen^{ship} and Born in Canada so he
is 100% canadian. what if a war starts you must have
a 100% canadian heart! one "Pass Port"!

and The same gose for the Premier TO THANKS
