To Whom It May Concern:

We are writing to inform you that we are strongly supportive in having a proportional representative voting system for the Province of B.C. We are tired of voting in elections and not having our electoral choice represented. (especially in Federal elections - but that's another matter!)

The Mixed Member Proportional system would be our first choice in the PR system. It seems the fairest to us. We also think that it would encourage more people to get out & vote and surely we need that for the youth vote.

Thank you for your attention to this matter,

Sincerely,

S. R. Lamb M. F. LAMPSON
